Subject: Project status update

Dear Ma'am,

I'm writing to update you on our current status. We have completed our research and most of the project work. We have had some problems while collecting the information.

Everyone in our team has completed their assigned work. We discussed about our problem among our group members.

We are planning to complete this project by 15th Oct.

Thank you for your support,

SREEMAYI.B,

2620030390
